

Peermarking

Goal: By means of these activities you will be able to mark the team mates you had during the semester. They will be able to read your comments, but these will be anonymous.

Weight: How you are marked and how you mark the others will be used to decide 10% of the final mark of the subject.

IMPORTANT: Remember to fill ALL categories.

- Contributions PeerMarking
- Problem solving skill PeerMarking
- Attitude PeerMarking
- Working with others PeerMarking
- Focus on the task PeerMarking
- Preparedness
